Student's Initials: _____ **Date:** _____

Initial only after you have had sufficient time to read and understand the information.

This program may result in freelance or self-employment.

- The work available to graduates of this program is usually for freelance or self-employment.
- This type of work may not be consistent.
- The period of employment can range from one day to weeks to several months.
- Hours worked in a day or week may be more or less than the traditional 8-hour workday or 40-hour work week.
- You can expect to spend unpaid time expanding your networks, advertising, promoting your services, honing your skills.
- Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as places for our job placement records.
- Students initialing this disclosure understand that either a majority or all this school's graduates are employed in this manner and understand what comprises this work style.

Student Loan Information

The Cohort Default Rate (CDR) represents the percentage of this institution's students that failed to make required payments on their federal loans within three years of when they were required to begin repayment of that loan. The most recent three-year cohort default rate reported to the U.S. Department of Education for this institution is 0%.

The percentage of the students who attended this institution in 2024 who received federal student loans to help pay their cost of education at the school was 0%.

Federal Student Loan Debt

Students at American EMT Academy are not eligible for the student loans. This institution does not meet the U.S. Department of Education criteria that would allow its students to participate in federal student aid programs.
